

2026 NMAX 125 Tech MAX

Tech MAX is Yamaha's class-leading MAX Sport Scooter line that comes with all the style, exclusivity and functionality you'd expect from a flagship range. Equipped as standard with a state-of-the-art specification that includes a connected TFT dash and Garmin Navigation*, as well as a luxury seat and special colours, the NMAX 125 Tech MAX is the ultimate lightweight. (*Full map Garmin Navigation is available free of charge for NMAX Tech MAX models but is not offered in all countries. Some navigation features are not available in all countries.)

Join the MAX.

Featuring a compact body and dynamic dual-eye headlights, NMAX 125 Tech MAX takes the affordable 125cc category to another level. And with its iconic MAX-inspired design, first class finish and extra features, the Tech MAX is the clear choice for riders who want a premium version of the NMAX 125.

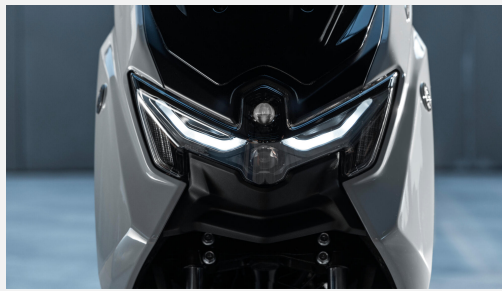

What makes the NMAX 125 Tech MAX so attractive is its easy accessibility and daily practicality. Designed for commuting to work and leisure, it's an ideal scooter for car drivers and returning riders who want the freedom of two wheels. And it's the best way to become a part of the MAX Sport Scooter family.

2026 NMAX 125 Tech MAX - BITNE KARAKTERISTIKE

Dynamic MAX-inspired design

The NMAX 125 Tech MAX features a dynamic look and premium finish that's inspired by Yamaha's class-leading MAX family of Sport Scooters. The compact bodywork underlines this lightweight scooter's agility and sporty DNA, making it the perfect choice for riders looking to be a part of the iconic Yamaha MAX family.

Dual-eye projector headlights

With its dynamic and sporty look the NMAX 125 Tech MAX features a sharp headlight design that underlines its position as the most exclusive entry level Sport Scooter. Featuring a distinctive dual-eye design, the headlight is equipped with projector high and low beams as well as LED position lamps and integrated LED flashers for a stronger and more assertive image.

LED taillight

NMAX 125 Tech MAX is equipped with stylish LED taillight and brake light as well as integrated LED flashers that give this exclusive lightweight Sport Scooter a dynamic and contemporary look.

4.2-inch connected TFT dash

The 4.2-inch full colour TFT multi-theme dash offers a high level of functionality including Garmin navigation*. Equipped with a Link Card Module, the connected instruments enable you to listen to music**, answer incoming calls**, view email and SMS notifications and more. Download Yamaha's MyRide App and stay in touch with friends, family and work. (*Full map Garmin Navigation is available free of charge for NMAX Tech MAX models but is not offered in all countries. Some navigation features are not available in all countries. **Audio services require a separate headset with Bluetooth communication.)

Exclusive Tech MAX finish

NMAX 125 Tech MAX is the ultimate entry level Sport Scooter. The high quality contoured dual seat is equipped with a special black leather-look cover with gold stitching and suede detailing. Offered in Ceramic Grey and Crystal Graphite colour options, this premium 125cc lightweight projects a high quality look.

125cc EURO5+ engine

Equipped with the latest Yamaha Blue Core technology that ensures minimal fuel consumption, reduced emissions and optimum performance, the 125cc 4-stroke EURO5+ engine delivers strong, smooth and quiet acceleration for easy and enjoyable commuting. Giving a long riding range between fuel stops, this entry level Sport Scooter is perfect for work and play.

Start & Stop system

The NMAX 125 Tech MAX's quiet and economical engine complies with EURO5+ regulations, making it suitable for urban low emission zones. And to ensure that this Sport Scooter's carbon footprint is minimised, it is equipped with a Start & Stop system that turns the engine off when you come to a standstill and automatically starts up when you let the brakes off and twist the throttle.

13-inch wheels, disc brakes with ABS

The NMAX 125 Tech MAX is fitted with lightweight 13-inch wheels with a 110/70-13 front tyre and wide 130/70-13 rear tyre that give plenty of traction. And for confident braking there's a 230mm front disc and 230mm rear disc, both equipped with an ABS system that inhibits accidental wheel lock ups on low traction road surfaces.

Underseat storage

Under the contoured dual seat there's a handy storage space that can accommodate a helmet, depending on size and shape. It's also the perfect place to carry personal belongings, gym gear or groceries, making the NMAX 125 a truly versatile entry level Sport Scooter that gives you the ultimate mix of performance, style and functionality.

USB-C charger and front pockets

The NMAX 125 Tech MAX has two front pockets to store items within reach. The left open pocket features an USB-C charger to keep your battery topped up. The right pocket has a weatherproof lid which is the perfect place to carry your keys or wallet.

Smart Key keyless ignition

No more keys to worry about with Yamaha's Smart Key keyless ignition! Just make sure the Smart Key is in your bag or pocket and you can turn your NMAX 125 Tech MAX on - making the whole process easier and quicker.

Smooth suspension

For a confident ride on a variety of urban road surfaces, the NMAX 125 Tech MAX is equipped with smooth action telescopic front forks giving mm of suspension travel - and at the back end there's 91 mm of suspension travel for rider and passenger comfort. So whether you're in town or on the highway you can expect a comfortable ride.
