## 2026 VX Limited HO

Meet Yamaha's most versatile Limited model. The VX Limited HO offers elevated power and control from the 1.9 litre HO engine, wrapped in a feature-rich design that suits families and adventure riders alike.

### **All-around power meets adventure.**

From Bluetooth connection and Cruise Assist to watertight USB glove box and multi-mount tech, this WaveRunner is engineered to entertain, store and explore. It's the sweet spot of fun, utility and tech. Built on Yamaha's proven VX platform, this model adds serious performance making it the go-to ride for anyone who wants more power and more adventure on the water.

## 2026 VX Limited HO - BITNE KARAKTERISTIKE

### 1.9 litre High Output engine

The latest 1898cc Yamaha Marine Engine delivers strong, smooth acceleration with impressive fuel efficiency. Ideal for towing, exploring and everyday high-output recreation.

### Factory-installed audio system

Enjoy your playlist on the water with the VX Limited HO's integrated Bluetooth marine audio system, delivering clear sound and easy controls right from the handlebar or Connex screen.

### 4.3" Connex touchscreen display

Stay in control with Yamaha's 4.3" Connex interface, featuring ride info, fuel data, Cruise Assist/No Wake Mode™, security lock and audio control all in one bright display.

### RiDE® with Reverse Assist Mode

Yamaha's intuitive RiDE system gives you forward/reverse throttle control at your fingertips, with Reverse Assist Mode for smoother docking and tighter handling in close quarters.

### Comfort-first seating

A two-piece Cruiser seat provides ergonomic support for long rides and easy reboarding. Ideal for families or riders switching between sport and leisure throughout the day.

### Storage and onboard utility

Features include a molded cooler, water-resistant under-seat compartment, USB / 12 V watertight glovebox and four pull-up cleats for quick mooring, boarding or tying up tubes.
