

2026 FX Limited SVHO

The FX Limited SVHO is Yamaha’s most powerful and feature-packed WaveRunner. It’s engineered for riders who demand top-end speed, smooth control, and next-level luxury on every adventure.

Supercharged luxury and GPS precision

Powered by Yamaha’s 1812cc Super Vortex High Output marine engine and 160 mm high-pressure pump, it delivers explosive acceleration and consistent, thrilling performance across all water conditions.
With a 7″ Connext touchscreen, factory audio, GPS drive control, and high-end comfort features throughout, the FX Limited SVHO elevates every ride with technology, style, and versatility.

2026 FX Limited SVHO - BITNE KARAKTERISTIKE

Supercharged SVHO engine

The most powerful engine in Yamaha’s lineup, the 1812cc, 4-cylinder Super Vortex High Output marine engine, delivers heart-racing acceleration and exhilarating high-end speed with premium fuel efficiency.

7″ Connext touchscreen

A sleek, high-resolution touchscreen lets you access Bluetooth, GPS mapping, Drive Control settings, phone notifications, ride modes, fuel data and more all in one user-friendly interface.

GPS-enhanced drive control

This advanced system adjusts engine performance and throttle response based on GPS input, delivering tailored power modes and consistent acceleration for a more responsive and controlled ride.

Dual auto trim modes

Both Performance and Comfort Auto Trim systems work in real time to adapt the craft’s trim position during acceleration and turns, enhancing speed, stability, and handling.

Premium two-piece cruiser seat

Sculpted for ergonomic support and long-range comfort, the two-piece Cruiser seat allows easy boarding and dismounting while offering exceptional passenger comfort for up to three riders.

Storage, cooler and glove box

A moulded bow cooler, fast-access stern storage, watertight under-seat compartments, and a glove box with USB/12V outlets and accent lighting give you flexible storage for every ride.

Factory-installed audio system

Ride with your soundtrack thanks to Yamaha’s integrated marine audio system. Bluetooth-enabled and perfectly positioned, it’s designed for crisp clarity even while cruising at speed.
